Legal reference (Law section / article)

Article 20

(1) The financial support for establishment of organizational forms aimed at technological development and research shall be granted for the establishment of departments, centers or other forms of organizational structure in which sustainable research and development projects are implemented and highly qualified personnel are engaged in order to acquire new knowledge and skills for development of new products, production processes or services, or for significant improvement of the existing products, production processes and services in the production activities.

(2) The financial support referred to in paragraph (1) of this Article shall be granted to business entities that are to establish independent organizational forms aimed at technological development and research, or are to establish them as part of their existing organizational structure.

(3) The financial support referred to in paragraph (1) of this Article shall be up to 50% of the total eligible costs for industrial research per beneficiary, of which 30% shall be granted for the investment costs referred to in paragraph (4) line 1 of this Article, but not more than EUR 1 000 000 in MKD equivalent according to the middle exchange rate of the Central Bank of the North Macedonia on the day of payment for a project for which investment costs are generated.

(4) Eligible investment costs referred to in paragraph (1) of this Article shall include:

- costs for instruments and equipment used for the needs of the research project;
- costs for buildings and land on which an organizational form aimed at technological development is to be established;
- costs for contracted research, technical knowledge and patents purchased or licensed by external sources at market prices;
- additional costs incurred directly as a result of research projects; and
- other operating costs, including the costs of materials, supplies and similar products incurred directly as a result of the research activity.

(5) The financial support referred to in paragraph (3) of this Article shall be granted for a period

not exceeding five years as of the year in which the application for granting financial support has been submitted.
